

Toes In Video Production One Minute Business Intro Video Template

Audio	Visual
Hello I'm <name> From <business name>, a <description of business> located at <address if the business has premises, if not leave out>	Person on Camera
<Paragraph that explains why your business is important to viewers> or at <business name> we aim to <mission statement>	Shots of the business in action/examples of previous work
Our approach is to <what makes you different from competitors. Have three bullet points>	Person on screen followed by and either - video that tally with each bullet point or - bullet points showing up on screen in text
If that sounds like something you would like in your business get in touch and <Introductory offer/free 1hr consultation/call to action etc>	Person on screen Contact details on screen
Thank you /Tagline	Logo on Screen with relevant information
